1. How can I buy Tickets?

The Promoters of Ed Sheeran are committed to combating unethical secondary ticketing and resale. For the 2024 tour, we will be operating a new mobile digital ticket called EVENTIM.Pass.

In preparation for on sale, we recommend that you register an account on eventim.pl. Your ticket will be accessible on your mobile/smartphone via the Eventim PL only. Once you have purchased your tickets, you will receive an order confirmation email as proof of purchase. This is **NOT** your ticket yet.

More information about the EVENTIM.Pass can be found below.
The mobile app will be required to gain access for you and your group into the venue.

NOTE: if you want to buy tickets for someone else and you do not plan to take part in the event, please provide that person's details when placing the order!

2. What is EVENTIM.Pass?

With EVENTIM.Pass you can access your personalised tickets digitally via the Eventim.App. The tickets are delivered and accessible exclusively via the Eventim.App. For admission on site, you can also conveniently use the Eventim.App. There will be no additional e-mail or postal delivery of your tickets.

3. How does the purchase process work at EVENTIM.Pass?

The purchase process in our webshop is exactly the same as you already know it from the other ticket types. The difference from "regular" tickets is that you will not receive your EVENTIM.Pass tickets by post or e-mail, but tickets will be made available to you via the Eventim PL app only. You can find more information on how EVENTIM.Pass works [here](#).

4. When will I receive my ticket and when can I retrieve my ticket?

You will receive your booked tickets after transaction was successful and payment has been concluded in the case of advance payment.

Please note: For the Ed Sheeran presale, ticket delivery via the Eventim PL app is delayed due to a security check to combat the ticket black market. The delivery of your tickets will therefore take some time but will of course be in time for the event.

5. How can I access my EVENTIM.Pass tickets?

EVENTIM.Pass tickets can only be accessed within the Eventim PL app. After purchasing your tickets, please download the Eventim PL app if you have not already installed it.

After logging in to the app with your EVENTIM account, you will be able to view your order. Your tickets will be displayed with a time delay due to security-related processes. In any case, you can retrieve your tickets in good time before the event.

6. What do I need to use EVENTIM.Pass?

8. I have bought tickets for several people: Do we all have to appear together at the entrance to the Ed Sheeran event?

Yes, a digital ticket entitles only one person at a time to enter the booked event. If a purchaser buys multiple digital tickets, these will only be stored on their mobile device and only his/her name is on the tickets.
